About Our Products

At The Hummingbird Shop, we specialize in some of the most exquisite hummingbird feeders on the market. We work with highly skilled artisans to ensure that each feeder is not only functional, but also serves as a work of art to enhance your outdoor space. When selecting our birdfeeders, we maintain rigorous standards of quality, design, and diverse selection. Carefully handcrafted from blown glass or ceramic, our feeders are designed for hanging or window display. We also offer hummingbird art, jewelry, food, books, and plants, making us a prime source of unique gift ideas for the bird lover in your life.

Who We Are

The Hummingbird Shop was founded by Dave and Cheri, a married couple who have always fostered a love for birds. Today, the company remains a family-owned and -operated business based in Pensacola, Florida, with the owners personally ensuring the complete satisfaction of each and every customer. Their combined background in quality assurance, order fulfillment, and technical operations helps to ensure a smooth, efficient shopping experience. When they aren't working to bring you the finest hummingbird products available, Dave and Cheri enjoy spending time with their two sons, David and Christian, at their home on Pensacola Beach.
